

## Prepare for a career in the evolving media industry. Sharpen your writing, reporting and multimedia skills.

The Master of Professional Studies in Journalism program at Georgetown immerses students in the world of modern media in Washington, DC, where politics, culture and journalism intersect. Our program gives students the edge they need to be adept and adaptable journalists in the digital age. We teach students how to report and tell stories within a framework of ethics and responsibility and with an eye toward entrepreneurialism. You will have the chance to learn from and network with industry leaders and DC media insiders, while gaining the practical knowledge and skills necessary for a successful journalism career now and in the future.
