# Navigating the Georgetown Networks

Below are brief descriptions of the various electronic tools to use while attending the Summer Programs for High School Students at Georgetown.

## Georgetown Google Apps: Using Your Student Email

Georgetown Google Apps is the email provider supporting your [Georgetown University email address](#). Before and during your program, you will receive University emails. As such, you should regularly check your new email account for correspondence.

Your email address uses the following format: [NetID@georgetown.edu](mailto:NetID@georgetown.edu). You can access your email by logging in with your NetID and password at [Georgetown Google Apps](#) or by visiting <http://apps.georgetown.edu>.

## Blackboard

[Blackboard](#) is the learning management system used by Georgetown University. Many of the summer programs use Blackboard to electronically share class and reading materials. Closer to the start of your program, material may be added to the Blackboard course site. If your specific course is using Blackboard, you will receive an email at your Georgetown University email address announcing that materials have been added to the course site. You can login using your NetID and password by clicking [Blackboard](#) or visiting <https://campus.georgetown.edu>.

## NetID and Password

Your NetID and password are your electronic credentials. You will need to remember your NetID and password to use your Georgetown University email, log into Blackboard, apply for your GOCard, check your library account, etc.

Your final step is to enroll in [Password Station](#) at <https://password.georgetown.edu>. Password Station is a self-service password management tool that allows you to select and answer three security questions that you can use in the future to reset your password. If you do not enroll in Password Station you may be locked out of your Georgetown accounts. If you cannot use Password Station to reset your password you will need to submit a government-issued photo ID to [University Information Services](#) so that your identity can be verified and your password can be reset. This process can take between 3-5 business days.

Your NetID and Password were created when you began your application. If you forget your NetID please refer to your email confirmation that was sent to you after your account was created.

**TIP:** Georgetown University requires all students to reset their passwords every six months. To reset your password you are required to enroll in Password Station.

# Navigating the Georgetown Networks

## Is a laptop computer required?

A laptop computer is not required. All Summer Hoyas have computer access at various [library locations](#) across campus. More information regarding Georgetown library services can be found at <http://www.library.georgetown.edu>. There are also kiosks located in the Levey Center and on the ground floor of the Edward B. Bunn, S.J. Intercultural Center (ICC). All residence hall rooms have access to the internet using an Ethernet or wireless connection.

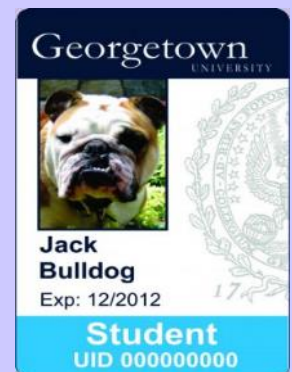

## GOCard – Your Student Identification Card

All Summer Hoyas must apply in advance for their GOCard. The GOCard is your student ID and access card to many [campus services](#) such as dining, laundry, printing, and residence halls. Students must carry their GOCards with them at all times.

If the student has a GOCard from a previous program, please make sure to bring that GOCard with you. To apply for your GOCard, you must submit a passport photo to the GOCard office by emailing your photo to [GOCardphoto@georgetown.edu](mailto:GOCardphoto@georgetown.edu) at least a month in advance of your program start date. Your email must include your name, NetID, and program name(s). For more information on how to submit your GOCard please visit the [GOCard Office's](#) website: <http://gocard.georgetown.edu>.

Students will receive their GOCards during check-in after showing their government issued ID. If you need a government-issued photo ID, please visit the following website for guidance on obtaining an ID: <http://www.dmv.org/id-cards.php>. Please note that ID policies vary by state and country.

# Residential Living

Residential living at Georgetown is as much a part of the college experience as the actual classwork. Special floors are designated for the Summer Hoya residents and each room has wireless access allowing you to study after class.

## Social Events and Activities

We encourage you to engage in the rich and varied cultural life of the University during the summer. All Summer Hoyas receive direction and supervision from Institute Assistants during the day and Resident Assistants in the evenings and through the nights. Students are encouraged to participate in organized events such as cook-outs, evening lectures, ice cream socials, dances, movie nights and other activities.

## Housing Charges

For students participating in the Institutes, the cost of housing and meal plans are already included in the tuition fee. Institute students are required to live on campus.

For students participating in The College Preparatory Program, living on campus is optional. For resident students, the cost for housing is \$664 for the 3-week program.

## Meal Plans

Institute students are automatically enrolled into a meal plan. For College Preparatory students living on campus, you must self-enroll into your preferred meal plan option. Several meal plan options are available, which are 10 meals per week, 14 meals per week, or 19 meals per week. To sign up for a meal plan, please visit [Georgetown Dining](http://www.campusdish.com/en-US/CSE/Georgetown) at <http://www.campusdish.com/en-US/CSE/Georgetown>.

When entering the dining hall, students will use their GOCard to debit their meal plan account.

Leo O'Donovan Dining Hall offers students a wide variety of buffet-style meal options daily. If you have specific concerns, please contact [Georgetown Dining](#) directly. Please note that students who purchase a meal plan must dine at Leo O'Donovan Dining Hall.

# Residential Living

## Roommates

In order to support a true college living and learning experience the Summer Programs for High School Students does not accommodate roommate requests. Students will meet their roommates on check-in day, however, students are not guaranteed a roommate and may be assigned to a single room.

## Clothing

Summer in Washington is hot and humid at best and sweltering and very humid at worst. Keep this in mind when packing clothes and bring cool, comfortable clothing. Generally, dress is informal. Students should plan on packing a couple of business casual outfits (khaki pants and button-down shirt or skirt/blouse/dress) for any special outings or events. A good pair of walking shoes is highly recommended, as is a bathing suit -- you will have use of the pool in [Yates Field House](http://recreation.georgetown.edu/yates) (<http://recreation.georgetown.edu/yates>).

High-Efficiency laundry facilities are available in the residence halls. Students pay for laundry services using funds that you add to the GOCard.
