KNOW BEFORE YOU GO:
LEARNING THE GEORGETOWN SYSTEMS

Before arriving to campus, take the time to explore the following electronic systems used by Georgetown faculty, staff, and students. These systems are used for both student security and academic learning purposes. Each system helps keep the Georgetown community connected. By becoming familiar with these resources now, you will be ready to start The College Preparatory Program this summer!

NetID and Password
Your NetID and password are your electronic identifiers that give you access to all of Georgetown’s student electronic systems. You will need to remember your NetID and password to use your Georgetown University email, log into Blackboard, apply for your GOCard, etc. In other words, your NetID and password are incredibly important as these two identifiers are the gatekeeper to Georgetown’s systems. If you forget your NetID, please refer to your “Welcome to the MySCS Student Portal” email, delivered to the email account that you used to initiate your Institute application. This email contains your NetID and GUID and should be saved in a safe and secure location.

Tip: Georgetown University requires all students to reset their passwords every six months.

Password Station (password.georgetown.edu)
If you have not done so already, sign up immediately for the NetID Password Station at https://password.georgetown.edu. The NetID Password Station is a self-service password management tool that allows you to select and answer three security questions which you can use in the future to reset your NetID password. If you do not enroll in the NetID Password Station you may be locked out of your Georgetown accounts. If you cannot use Password Station to reset your NetID password you will need to submit a government-issued photo ID to University Information Services so that your identity can be verified and your password can be reset. This process can take between 3-5 business days.

Georgetown Google Apps: Using Your Student Email (apps.georgetown.edu)
Georgetown Google Apps is the email provider supporting your Georgetown University email address. Before and during your program, you will receive University emails. As such, you should regularly check your new email account for correspondence.

Your email address uses the following format: NetID@georgetown.edu. You can access your email by logging in with your NetID and password at Georgetown Google Apps or by visiting http://apps.georgetown.edu.

Blackboard (campus.georgetown.edu)
Blackboard is the learning management system used by Georgetown University. Closer to the start of your program, reading and lecture material will be added to your Blackboard course site. You will receive an email at your Georgetown University email address when materials have been added to the course site. You can login using your NetID and password by visiting Blackboard or visiting https://campus.georgetown.edu.

HOYAlert — Emergency Notification System
HOYAlert is a notification system that may be used to alert members of the university community in the event of a campus emergency or closure. Please sign up for the HOYAlert Service by visiting https://netid-mgmt.georgetown.edu/emergencycontact. You will log on to the system with your Georgetown University NetID and password. Each student may enter one phone number to receive a text message, one non-Georgetown email address, and up to two phone numbers to receive a voice message.
LiveSafe App — Download the LiveSafe Safety App
The LiveSafe App is a mobile safety app for Georgetown students, faculty, and staff.

GOCard – Your Student Identification Card [https://gocard.georgetown.edu/]

What is a UID?
It is a random number assigned to all individuals affiliated with the University for purposes of identification. The University ID number will be used to identify you in a variety of on-campus systems. It replaces using the social security number as an inter-campus id. This ID number will stay with you for the entire duration of your affiliation with Georgetown.
Rules & Regulations
As a Summer Hoya, you are expected to adhere to the Program Expectations and Campus Regulations for Pre-Collegiate Students Campus Life Form. Safety is a top priority and students must follow these expectations to ensure the well-being of the Hoya community. Any rule violation will result in some level of adjudication. Students that have committed a violation will meet with a member of the professional staff who will then decide the best course of action. Students found committing major infractions will be sent home.

Though curfew and bed checks are done each evening by the Resident Adviser and supervision is provided at all planned program activities, it is important to note that students may not be supervised at all times if they choose not to participate in planned activities or during free time and unscheduled breaks.

Students are not allowed to leave campus overnight.

Safety and Security
The safety and security of all members of the University community are preconditions of learning, dialogue and personal growth at Georgetown. We work comprehensively to promote public safety on our campuses, in all University facilities, at our events, and in international exchange programs.

Georgetown University has a Protection of Minors Policy to protect those under 18 years of age who participate in programs and activities associated with the University and to provide guidance and requirements that apply to University students, faculty and staff who are involved with such programs and activities. The policy also includes requirements for non-University organizations that operate programs or activities involving minors on campus. Additional information about the policy may be found at: http://protectionofminors.georgetown.edu/policy.

Georgetown's Department of Public Safety (DPS) conducts coordinated patrols on a regular basis to ensure campus security. DPS is vested through the District of Columbia Metropolitan Police Department with full arrest power on all campus property. DPS also works closely with the Metropolitan Police Department and District of Columbia Fire Department to address issues surrounding campus and respond quickly to incidents.

Summer at Georgetown has mature and experienced staff members who are trained to respond to student needs and emergencies. In the Residence Halls, there is a Resident Adviser on Duty from 7:00pm—9:00am every day. The Resident Adviser on Duty can be reached at (202) 230-7111 from 7:00pm—9:00am. DPS can be reached 24 hours a day at (202) 687-4343.
Student Health Services
If you have any medical problems, you may visit the Georgetown University Student Health Center, located on the ground floor of Darnall Hall. To utilize the Student Health Center services, the Medical Permission Form, Immunization Form and a submitted copy of your health insurance card or purchased international student health insurance plan are required. These forms are part of the required Campus Life Forms. Campus Life Forms should be submitted online at summer.georgetown.edu/forms.

The Student Health Center charges for all services. Students are responsible for paying all charges at the time service is provided. In case of emergency, all students should carry their health insurance card. For more information please visit the Student Health Center’s website at http://studenthealth.georgetown.edu/medical-care.

Codes of Conduct
High school students are expected to adhere to the Program Expectations and Campus Regulations, which you will need to sign in order to attend the program. Safety is a top priority, and students must follow these expectations to ensure the well-being of the community. Any rule violation will result in some level of adjudication. If found committing a violation, students will meet with a member of the professional staff who will then decide the best course of action. Students found committing major infractions will be sent home.

SCS Pre-Collegiate Student Conduct Sanctioning Guide – (Review this guide prior to attending)
The fundamental principle guiding the imposition of sanctions in the SCS Pre-Collegiate Student Conduct Sanctioning Guide is founded on the University’s effort to balance and uphold community standards with the educational development of its students in addressing individual behavior. The sanctioning component of the SCS Pre-Collegiate Student Conduct Sanctioning Guide is designed to achieve the following goals:

- Reestablishment of order while considering the common good, which sometimes necessitates the temporary or permanent removal of the offender.
- Mechanism within which offenders can reflect upon their actions and their impact on both themselves and others.
- Restoration of the offender to good standing within the community provided the safety of the community is not jeopardized by the individuals’ presence or return.
- Restitution to those harmed by the offender’s actions to the degree possible.

Unstructured Time Policy
Students in The College Preparatory Program have some unstructured time. Resident Assistants provide social opportunities to gather and participate in a variety of activities around campus, the Georgetown neighborhood, and sometimes, in DC. Students sometimes choose to not participate and go off on their own. Students are permitted to go into the Georgetown neighborhood, bounded on the north by Reservoir Road, on the east by Wisconsin Avenue, and on the south by the M Street corridor (up to 30th Street).

We discourage any students from exiting the Georgetown neighborhood unaccompanied. However, if a student chooses to leave the above boundaries, they are required to sign out on the Student Out sheet located on their Summer Resident Assistant’s door when leaving and sign back in when returning to the floor. Failure to abide by this policy will result in judicial repercussions.

We encourage all students to adhere to safety recommendations: never walk alone at any time of the day, but especially at night; lock your door and always carry your keys; wear your summer SCS lanyard with contact information, and stay aware of one’s surroundings while walking (not listening to music/talking on the phone).
Off-Campus Leave and Overnight Stays
Given the intense academic nature and truncated timeframe for socializing, students are not permitted to arrange for late curfew or to spend nights away from campus during the Program. In a few extenuating circumstances, permission to be late for curfew or to be away from campus for a night may be granted. Requests for such permission must be filled out by the parent/guardian and must be received **72 business hours PRIOR TO THE DATE OF DEPARTURE** by filling out the following form:

Early Dismissal Requests
Requests to depart a program prior to its official conclusion must be filled out by the parent/guardian and are preferred at least **72 business hours PRIOR TO THE DATE OF DEPARTURE** by filling out the following form:
http://tinyurl.com/EarlyDepartureRequest2015

Any requests conflicting with structured academic programs are not approved. The Office of Residential Living manages all requests and starts accepting requests on May 1, 2015. Staff will begin processing and responding to requests on June 1, 2015, reply to them in the order they are submitted throughout the summer, and strive to reply within 72 business hours. Please keep in mind, during high peak times the response might be delayed.

The Office of Residential Living retains ultimate decision authority on all requests. All requests, both confirmed and denied, are shared with Residential Living and SCS staff.

Important Contacts to Share with Your Parents
For emergencies outside of business hours, you may contact the Resident Assistant on Duty at 202-230-7111. You can also contact the Department of Public Safety at 202-687-4343 and ask to be connected to the Residential Community Director on duty.

For judicial concerns and housing issues while on campus, students should contact the Office of Residential Living at 202-687-4560 between the hours of 9am and 5pm Monday through Friday.

For all other questions Monday-Friday from 9am-5pm, please contact a Parent Services Advisor at 202-687-7087 or via email at highschool@georgetown.edu.

Residential students are not permitted to have a car on campus. Some non-resident students may choose to drive to campus for their classes, however, please be aware that parking is extremely limited.

Non-Resident Students
Non-resident students have the same access and privileges to all University resources as resident students including University libraries, the Yates Field House, and the Student Health Center. In addition, all non-resident students are assigned a Resident Assistant for safety and supervision while on campus. The assigned Resident Assistant will also communicate with the commuting students regarding social events and activities. Non-resident students are encouraged to participate in the full range of summer events—from organized movie nights and social activities to cook-outs and dances! The Summer Hoya events may take place in the evening as well as during the weekend. If you have any questions regarding social events and activities you should contact your assigned Resident Assistant once your session has started.

Non-residents should arrive on campus in time for the first class meeting of each day. Non-resident students are also required to attend Check-In on June 21st.
RESIDENTIAL LIVING

Residential living at Georgetown is as much a part of the college experience as the actual classwork. Special floors are designated for the Summer Hoya residents and each room has wireless access allowing you to study after class.

Residence Halls
A student learns the residence hall in which he or she will be staying two weeks prior to the start of his or her program. The residence hall assignment will be e-mailed to the student. At check-in, all students are given a room key. At the end of your stay, you are expected to return the key at check-out. Failure to return the key will result in a $50 lock change fee.

All of the residence halls are air-conditioned; however, students may bring fans if they wish. Every room is carpeted and furnished with a bed, a desk, and a chair for each resident. Bookshelves, drawers, and closets are built into the rooms. If you have any additional housing questions, please visit Student Living at http://studentliving.georgetown.edu.

Students are assigned to a Resident Assistant. Resident Assistants live in the residence halls with students and receive extensive training. Resident Assistants will work with you to maintain a positive community on the floor through community-building activities. Resident Assistants are assigned to groups of approximately 50 high school students.

Each night after 7:00pm, Resident Assistants are available to high school students.

Curfew, Quiet Hours, and Bed Checks
Please note that Monday-Thursday, floor curfew is at 11:00pm and bed checks are at midnight. On Friday and Saturday, floor curfew is at midnight and bed checks are at 1:00am. Please be aware that these Residential Living policies are designed to ensure the safety and security of all high school Summer Hoyas living on the Georgetown campus. Twenty-four hours a day reasonable quiet must prevail in University-owned housing. An atmosphere of quiet is especially to be maintained between the hours of 9:00 pm to 9:00 am.

Roommates
In order to support a true college living and learning experience the Summer Programs for High School Students does not accommodate roommate requests. Students will meet their roommates on check-in day; however, students are not guaranteed a roommate and may be assigned to a single room.

Guests
As outlined in the Program Expectations form, student hosts are responsible for the behaviors of any individuals one allows access to the residence halls. Guest(s) of a different sex from the host may visit in the common room of the residence hall only and may not be in the hallway or individual room of the host.

A. The right to quiet takes precedence over a roommate’s privilege to have guests of the same sex in their residence hall room. If one roommate wishes to have quiet time and another roommate’s guests are interfering with the necessary quiet, the guests shall be asked to leave the room.

B. No overnight guests are permitted at any time. No persons of college age are permitted at any time. No guests are allowed after curfew and/or during quiet hours.
Security
Students use their GOCard to access their residence hall. To ensure safety, security guards are stationed at major residence hall access points. The Department of Public Safety supervises all security guards. Additionally, the University operates an emergency response team 24 hours a day to respond in the event of significant emergency situations.

Laundry
High-Efficiency laundry facilities are available in the residence halls. Students pay for laundry services using funds that you add to the GOCard.

Mail
Please address packages and letters to your Summer Hoya's Residence Hall Office (e.g., New South Residence Hall Office, Kennedy Residence Hall Office, etc.) at 37th and O Streets, N.W., Washington, DC 20057. Please be sure the student's name and “College Preparatory Program” are written clearly on the package. Summer Hoyas will need to present a photo ID when picking up a package.

Property Damage
All students are expected to maintain their rooms in a clean manner and are responsible for the care and condition of the rooms and corridors they occupy. Students will be held financially responsible for the cost of repairs for any damages and the cost of any special cleaning needed to return the room or corridor to their move-in condition. Georgetown University is not responsible for the loss of, or damage to, any property of the student. The University recommends that individuals carry insurance on their belongings. Items left behind after a student checks-out of the program will be donated to charity.

Clothing
Summer in Washington is hot and humid at best and sweltering and very humid at worst. Keep this in mind when packing clothes and bring cool, comfortable clothing. Generally, dress is informal.

Students should plan on packing a couple of business casual outfits (khaki pants and button-down shirt or skirt/blouse/dress) for any special outings or events. A good pair of walking shoes is highly recommended, as is a bathing suit -- you will have use of the pool in Yates Field House (http://recreation.georgetown.edu/yates).
